Apply proposal

All information is treated in confidence. The information in this application is furnished to the funding agency, with the understanding that it shall be used or disclosed for evaluation, reference and reporting purposes. All information provided in this application must be true. False particulars or wilful suppression of material facts will render the applicant liable to disqualifications, or, if awarded, to withdrawal and/or appropriate legal proceedings.

Please choose the application category, whether the proposal is a new submission, resubmission of application, or renewal of project.

New Submission

The proposal is a new application which was not submitted or rejected previously.

* Title of research project

Renewal Application

The proposal is an extension of previous approved project, with additional funding.

Resubmission of Application

The proposal is a resubmission of an application rejected in previous calls.

All information is treated in confidence. The information in this application is furnished to the funding agency, with the understanding that it shall be used or disclosed for evaluation, reference and reporting purposes. All information provided in this application must be true. False particulars or wilful suppression of material facts will render the applicant liable to disqualifications, or, if awarded, to withdrawal and/or appropriate legal proceedings.

Please choose the application category, whether the proposal is a new submission, resubmission of application, or renewal of project.

- New Submission
The proposal is a new application which was not submitted or rejected previously.
- Renewal Application
The proposal is an extension of previous approved project, with additional funding.
- Resubmission of Application
The proposal is a resubmission of an application rejected in previous calls.

Please select the previously rejected proposal to be resubmitted.

Original Proposal ID:

If >50% of the proposal has been revised, please submit as New Submission.

For Renewals, please select **“New Submission”** in IGMS and inform HI ORE on the associated project ID).

For Resubmissions, please select **“Resubmission of Application”** in IGMS and indicate the **last** rejected proposal in the **“Original Proposal ID”** field. (E.g., for second resubmission, indicate the proposal ID of the first resubmission). Please **do not** indicate more than one proposal ID in the **“Original Proposal ID”** field.

* % time within this project:

Lead PI is the lead researcher who has the appropriate level of authority and the responsibility to direct the project/ programme being supported by the grant. He or she is responsible and accountable for the proper conduct of the project or programme.

Team PI is the person liken to the head of a sub - project.

Co - Investigator is an individual involved in the scientific development and execution of the project. A Co - Investigator typically devotes a higher percentage of effort to the project as compared to a Collaborator, and is considered as a senior / key personnel in the project / programme.

Please note that only “Co-Investigator” Role should be chosen for team members added in this section.

Proposal Overview > Research Team, Collaborators, Referees

Add/ Edit Research Team Member

Collaborators

A collaborator is an individual who collaborates in the scientific development and execution of the project. A collaborator would typically devote a specific percent of effort to the project. Researchers from overseas institutions or private companies can only participate as collaborators.

S/N	Name	Institution	% time within total work commitment	% time within this project
-----	------	-------------	-------------------------------------	----------------------------

Research milestone summary

Please propose milestones for assessment of the progress of the study. The proposed milestones will be subjected to review by a post-award committee at the end of each FY for the period of grant awarded.

For each specific milestone, the "start month" refers to the number of months from the month of the letter of award.

For e.g. if the letter of award was issued in June, the proposed milestone (production of antibodies) is planned to start in December (i.e 6 months from June) with a duration of 12 months, thus the milestone will be indicated as follow:

S/N	Description	Start Month	Duration (Months)
1.	Production of antibodies	6	12

S/N	Research milestone	Start month	Duration (months)

Suggested reviewers

Please suggest up to 5 reviewers who may be suitable to review the research proposal. These reviewers should fulfil these criteria:

- (a) They are experts in the subject matter and capable of offering unbiased expert opinions on the scientific merit of the proposed programme;
- (b) They have broad knowledge of the field;
- (c) They have good knowledge of global developments in the field to be able to evaluate the international competitiveness of the proposed programme; and
- (d) They have no relationship, direct or otherwise, with any of the team members that would create a real or apparent conflict of interest.

In acknowledging this Grant Application, the Lead Principal Investigator [on behalf of the Team Principal Investigator(s), Co-Investigator(s) and/or Collaborator(s)] UNDERTAKE, on any Grant Award to:

- Declare that all information is accurate and true.
- Ensure that approval from the funding agency has been obtained before engaging in any commercial activity that will exploit the finds of the research funded by the funding agency
- Read, support and agree to this proposal being carried out in the Institution(s)
- Be actively engaged in the execution of the research and ensure that the study complies with all laws, rules and regulations pertaining to animal and human ethics, including the Singapore Good Clinical Practice Guidelines
- Not send similar versions or part(s) of this proposal to other agencies for funding.
- For Biomedical Science proposal, submit supporting documents of ethics approval obtained from the relevant Institutional Review Board (IRB) and Animal Ethics Committee for studies involving human subjects/human tissues or cells, and animal/animal tissues or cells respectively.
- Ensure that all necessary licenses and approvals have been obtained or are being sought
- Ensure that funding agency is acknowledged in all publications.
- Ensure that all publications arising from the research is deposited in the Institution's open access repository (or any other institutional/subject open access repository), in accordance to the Institution's open access policy.
- Ensure that the requested equipment/resources are not funded by another agency or research proposal.
- Ensure that there is a reasonable effort in accessing available equipment/resources within the Institution(s) or elsewhere within Singapore.
- Ensure that there is no financial conflict of interest
- Adhere to the funding agency's Grants Terms & Conditions (T&Cs) and Funding Guidelines, as well as all other applicable guidelines, policies and procedures adopted by the funding agency, which may be amended or varied from time to time;
- Comply with the provisions of any relevant laws of the Republic of Singapore, statutes, regulations, by-laws, rules, guidelines and requirements applicable to it; and
- Agree to hold primary responsibility for the responsible conduct of research, and shall abide and comply with the ethical, legal and professional standards relevant to research, in accordance to the research integrity policy of the Institution(s).

We declare that the facts stated in this application and the accompanying information are true. This is an original and latest version of the proposal. We also declare that no other versions of this proposal (or parts thereof) with similar objectives, scope, deliverables or outcomes have been or will be submitted to any other funding bodies.

Submit ✓

Action Trail will show comments from PI/ORE/DOR and PM. (Same as on "Research Details" page)

Refer to Slide 98 and 99 for guide to access saved draft.

Click "Submit" to submit the application.

All sections must have green ticks, to indicate that the application is completed. Error Message will appear if application is incomplete.

The screenshot displays a web application interface with a blue error message box at the top. The error message reads: "Some of the pages are incomplete. Please navigate to the pages that are shown with an orange or grey icon and click on the next button. You are allowed to submit the application only when all the pages have a green icon." Below the error message is a progress bar with several steps: "Budget", "Funding Support", "Reviewers", "Declaration of Ethics Approval", "Other Attachments", and "Undertaking". Each step has a green checkmark icon, indicating that all sections are completed. Below the progress bar, there is a "Save as Draft" button. At the bottom of the page, there are logos for the Agency for Science, Technology and Research (A*STAR), the Ministry of Education, the Ministry of Health, and the National Research Foundation (NRF).

Error

Some of the pages are incomplete. Please navigate to the pages that are shown with an orange or grey icon and click on the next button. You are allowed to submit the application only when all the pages have a green icon.
